Pompano Beach, FL 33069

Dear DBA Four Corners Bingo,

On behalf of the National Alliance on Mental Illness Broward County, we would like to extend our warmest thanks for your generous donation of \$500 to the **2014 Second Annual NAMI Walks Broward County – Walking for Mental Health**. We had over 800 people in attendance and have raised over \$75,000 with your help.

Your gift allows us to maintain our referral services for those seeking mental health counseling and treatment, to continue our Family and Consumer support groups, to expand our educational programs, and to continue advocacy on behalf of those who have a mental illness and their families.

The goal of our Walk was to raise both money and awareness of the need for Broward County to support a world-class treatment and recovery system for people with mental illness – 100% of the proceeds from the Walk will be used locally by NAMI in the following ways:

- To provide support to persons with serious brain disorders and to their families
- To educate families and consumers
- To advocate for improved opportunities for housing, rehabilitation and meaningful jobs
- To support public education programs designed to help eliminate the pervasive stigma surrounding severe mental illness

As you know, we are a grassroots organization of volunteers who have all in some way been affected by mental illness. The annual Walk is our primary event to raise awareness and funds for our very important programs and services. Your support is invaluable and deeply appreciated.

Once again, thank you for your gift and we hope to see you at one of our events soon.

Sincerely,

Edna
